

Habemus Papam—We Have a "Black" Pope!!

The Jesuits have elected a new general or Black Pope and Pope Benedict XVI has a NEW BOSS!!

Jesuit general Adolfo Nicolás
(1936----).

"VATICAN CITY, Jan 19, 2008. (Reuters) - Spaniard Adolfo Nicolás was elected the Jesuits' "black pope", as the head of the largest and perhaps most influential, controversial and prestigious Catholic order is known, in a secret conclave on Saturday. Nicolas, 71, has run Jesuit operations in east Asia and Oceania since 2004 and spent most of his career in the Far East after being ordained in Tokyo in 1967. The order said in a statement that Nicolas had been elected to succeed Father Peter-Hans Kolvenbach, who received permission from Pope Benedict to retire as head of the order formally known as the Society of Jesus at the age of 79. Jesuit superior generals are known as "black popes" because, like the pontiff, they wield worldwide influence and usually keep their position for life -- and because their simple cassock is black, in contrast to the pope who dresses in white."

History has indeed come full circle as the Jesuits have elected a Spaniard to be the next Black Pope. The Jesuit order was founded in 1540 by 2 Spaniards: Ignatius LIEola and Don Francis Borgia.

The Jesuits were founded for 2 basic reasons:

1. Enforce the Bull of Pope Alexander VI that strictly prohibits any nationality but Spanish from visiting the New World without a license.
2. Use the vast New World gold and silver to subjugate the *entire world* to the Spanish Inquisition.

"Furthermore, under penalty of excommunication *late sententie* to be incurred *ipso facto*, should anyone thus contravene, we strictly forbid all persons of whatsoever rank, even imperial and royal, or of whatsoever estate, degree, order, or condition, to dare, without your special permit or that of your aforesaid heirs and successors, to go for the purpose of trade or any other reason to the islands or mainlands, found and to be found, discovered and to be discovered, towards the west and south, by drawing and establishing a line from the Arctic pole to the Antarctic pole, no matter whether the mainlands and islands, found and to be found, lie in the direction of India or toward any other quarter whatsoever, the said line to be distant one hundred leagues towards the west and south, as is aforesaid, from any of the islands commonly known as the Azores and Cape Verde; apostolic constitutions and ordinances and other decrees whatsoever to the contrary notwithstanding." ([Inter Caetera Bull](#)).

Ignatius LIEola is generally credited with founding the Jesuits, but Don Francis Borgia, as the great-grandson of Pope Alexander VI, had all the stolen gold and silver from the New World to finance the new order.

Ignatius Loyola (1491-1556).
Jesuit general from 1541 to
1556.

Don Francis Borgia—known as the Duke of Gandia—was the great-grandson of Pope Alexander VI, and co-founder of the Jesuits. On his mother's side he was descended from King Ferdinand of Aragon.

Don Francis Borgia (1510 -
1572).
Jesuit general from 1565 to
1572.

Borgia had the royal connections and the gold and silver from the New World to finance the new order.

This could be the last Black Pope!!

All true Protestant Catholic Christians should rejoice exceedingly because this could be the last Black Pope. Black Popes always outlive White Popes because the uncooperative ones get the cup of Borgia.

According to the [Prophecies of "Saint" Malachy](#), there is only one more Pope to go until the end of time....That means that the next White Pope could be the last Pope to deceive the world into believing that he is actually God Almighty on earth:

"But since We hold upon this earth the place of God Almighty,

who will have all men to be saved and to come to the knowledge of the truth, and now that Our advanced age and the bitterness of anxious cares urge Us on towards the end common to every mortal, We feel drawn to follow the example of Our Redeemer and Master, Jesus Christ, who, when about to return to heaven, implored of God, His Father, in earnest prayer, that His disciples and followers should be of one mind and of one heart." (*Great Encyclical Letters of Pope Leo XIII*, p. 304).

The Spanish Inquisition controls the Vatican through the Jesuits!!

For the past 500 years, the Spanish Inquisition has controlled the Vatican by means of the Jesuits. All the Jesuits answer to their general in Rome, and he in turn is content to run the show from behind the scenes, without any publicity or public acclaim.

This secrecy is absolutely necessary because of the age-old Italian hostility to the Spanish because of the abominable behavior of the Borgias, and the Sack of Rome in 1527 in order to prevent the divorce of [Henry VIII](#) from Catherine of Aragon.

Ignatius Loyola was the first Jesuit general.

Since the official founding of the Jesuits 468 years ago, there has been a total of **30** Black Popes.

Adolfo Nicolás is the 30th and latest Jesuit general.

These men live in the very same city—Rome....Both are elected for life; they eat the same food and breathe the same *poisoned* air, so we should find a close similarity in length of reigns between the two Papal dynasties.

Pope Paul III officially recognized the Jesuits in 1540.

Since the official founding of the Jesuits by Pope Paul III in 1540, there has been a total of **46** White Popes.

White Pope Benedict XVI.

How do we account for such a strange dichotomy in the number of Black and White Popes???

The answer is simple: Any White Pope who did not cooperate with the schemes of the Jesuits was given the poison cup . . . or in the case of Pope John Paul II—the leaden bullet!!

Pope Clement XIV banned the Jesuit Order by a PERPETUAL decree NEVER to be rescinded!!

On July 21, 1773, Pope Clement XIV banned the Jesuit order by a perpetual decree never to be rescinded:

"And to this end a member of the regular clergy, commendable for his prudence and sound morals, shall be chosen to preside over and govern the said houses; so that the name of the

Company shall be, and is, for ever extinguished and suppressed. [\(Bull of Suppression of Pope Clement XIV\).](#)
