

Ronald Reagan and the Pope!!

Ronald Reagan *lying* in state in the Capitol Rotunda on June 10, 2004.

" And as it is appointed unto men once to die, but after this the judgment:
So Christ was ONCE offered to bear the sins of many; and unto them that look for him shall he appear the second time without sin unto salvation" (Hebrews 9:27-28).

The ACTING President and the ACTING Pope!!

Ronald Reagan was sworn in on Jan 20, 1981 on the WEST WING of the Capitol Building. All previous Presidents took their oath of office on the East side of the building.

The central object in the Vatican is the [Egyptian](#) obelisk. This one actually came for the Temple of Isis in Egypt. The Pope faces this phallic symbol when he address the multitudes below.

Reagan faced the Washington Monument during his swearing in ceremony from the West Wing of the White House. The obelisk is a well know symbol of ancient [Egypt](#).

The Washington Monument or obelisk is on the West side of the Capitol. Reagan faced the obelisk during the swearing in ceremony!!

Fatima Crusader Extraordinaire!!

Immediately after Reagan became *acting* President, the Pentagon began the largest military buildup in the history of the world. This buildup was paid for by U.S. *Protestant* taxpayers.

Reagan re-established diplomatic relations with the Vatican in 1984!!

Diplomatic relations between the U.S. and the Vatican were broken off in 1865 because of the Vatican's support for the Confederacy and because the Pope sheltered John Surratt—the murderer of President Lincoln. The U.S. government decided to downplay the role of the Vatican in the rebellion lest there be a religious war in the country. The people were tired of fighting but they loved Lincoln so much that they would driven every Roman Catholic out of the country forever!!

In 1984, the Vatican sent a papal nuncio or Papal **LEGATE** to Washington and the U.S. sent an ambassador to Vatican City. The Italian government based in Rome already had an ambassador to this country. He is the **ONLY** legal representative of Rome and Italy to the United States. This didn't seem to bother Reagan because his first allegiance was to the Pope.

How the Cold War was won!!

Leonid Ilyich Brezhnev (1906-1982).
President of the USSR from 1964 to 1982.

Yuri Andropov (1914-1984).
President of the USSR from 1982 to 1984.
A victim of the POISON CUP!!

Konstantin Chernenko (1911-1985).
President of the USSR from 1984 to 1985.
Another victim of the POISON CUP!!

Mikhail Sergeyevich Gorbachev (1931-????).
President of USSR until its collapse in 1991).

His two predecessors were eliminated by the poison cup and he in turn eliminated the Soviet Union.

When Fatima Crusader Reagan became *acting* President the most *dangerous* job in the world was President of the USSR.

One by one the Soviet leadership fell until "Gorby" came along. "Gorby" handed the Soviet Union to the Roosevelt Reich on a silver platter without even a shot being fired.

How much money Gorby was paid to betray his country God only knows but the downfall of the Soviet Union *destabilized* the world balance of power.

Russia and the U.S. *together* could have maintained world peace for centuries but the Roosevelt Reich was determined to eliminate any rivals and deprive the world of a second opinion on international affairs.

The ecumenical movement Trojan Horse worked better than a million nuclear bombs to eliminate the Soviet Union!!

Battle Hymn of the Republic

The Battle Hymn of the Republic was played when Reagan was carried into the Capitol Rotunda.

The Battle Hymn of the Republic was the national anthem of the Civil War. The words were written by a Protestant Christian woman named Julie Ward Howe.

During the Civil War the Pope wrote a letter to rebel president Jeff Davis and called him ILLUSTRIOUS and HONOURABLE President.

[John Surratt](#)— the assassin of President Lincoln—fled to Rome after the murder and was hidden by the Pope until the U.S. government finally arrested him and brought him back to Washington to answer for his crime.

It is ironic that the great hymn of the brave Civil War soldiers should be played at the funeral of a man who loved the Pope—the deadly enemy of this Republic and of ALL freedom loving people.

[Battle Hymn of the Republic](#)

Massive propaganda funeral planned for the Pope!!

One day soon the Pope will get the cup of Borgia and that will be the end of his *earthly* life. Like Reagan he is worth more dead than alive for propaganda purposes. The news media will have a feeding frenzy eulogizing and lauding him. World leaders will flock to the Vatican to pay their last respects to this "man of God". *Everybody* will be required to panegyryze him:

" And all that dwell upon the earth shall worship him, whose names are *not written* in the book of life of the Lamb slain from the foundation of the world" (Revelation 13:8).

Pope John Paul II kneeling in *prayer* before the **IMAGE** of Our Lady of Fatima.

"What concord hath Christ with Belial? (BAAL). Either what part hath he that believeth with an infidel? how agreeth the temple of God with **IMAGES**? And ye are the temple of the living God."(II Cor. 6:16).

"Babes (children) keep yourselves from **IMAGES**" (I John 5:21).

"For they themselves shew of you what manner of entering in we had unto you and how ye turned to God from **IMAGES**, for to serve the living and true God, and for to look for his son from heaven, whom he raised from death: I mean Jesus which delivereth us from the wrath to come" (I Thess. 1:9-10).

"And the remnant of the men which were not killed by these plagues, repented not of the deeds of their hands that they should not worship devils, and **IMAGES** of gold, and silver, and brass, and stone, and of wood, which neither can see, neither hear, neither go. Also they repented not of their murder, and of their sorcery neither of their fornication neither of their theft" (Revelation 9:20).

God's fierce wrath is reserved for the Pope and his **IMAGES!!**

Demons and unclean spirits are attracted to religious **IMAGES** like flies to manure. Image worship is actually demon worship and was strictly forbidden by the Ten Commandments. Rome's version of the Ten Commandments omits this prohibition:

"And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive his mark in his forehead, or in his hand, The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb:
And the smoke of their torment ascendeth up for ever and ever: and they have no rest day nor night, who worship the beast and his **IMAGE**, and whosoever receiveth the mark of his name" (Revelation 14:9-11).

Jesus is not willing that any should perish but that all should come to repentance so he warns His

congregation to:

"Come away from her, my people, that ye be not partakers in her sins, and that ye receive not of her plagues" (Rev. 18:3).

Editor's Note

In the Bible, there are 4 beasts mentioned and these beasts symbolize EMPIRES. They were: Babylon, Persia, Greece, Rome. By the time the Book of Revelation was written, 3 had already passed away and the fourth, Rome, was in her glory. Rome in the divided state of 10 horns and ten toes is the divided Roman Empire or the Papacy of [Pope Constantine](#). To receive the mark of the beast is simply to belong to this empire e.g. a *Roman Catholic*.
